Does signal jammer need any maintenance?

2019/07/09

Hello Shawn! Purchasing signal jammer is very responsible step, so it is great that you are preparing yourself for it and asking questions here to get some information needed by you to get the right signal jammer model for the right purpose you have. And the maintenance of your signal jammer is the thing that might improve its work a little bit. As any kind of electronic device, signal jammer must be charged because its battery just can't work forever. As a rule there are two power adapters - AC and car - and you can use any of them to recharge the battery of your signal jammer. If it has active cooling system with the fan and air slots - you need to watch them to be clean from dust. And if something would happen with your jammer, like any kind of repairs would be needed - read this question about jammer's repair. But most of the time the signal jammer you would buy can be used and it would do its job in the most impressive way and with ideal working condition!
